

Dear Young Preservationist friends,

Over the past year, The Young Preservationist, KC (YP) has undergone several significant changes, and we are writing today to share the exciting future we have in front of us for this organization. After months of talking to other successful young boards in the Kansas City area the YP has decided on a mission statement. The Young Preservationist organization will focus on raising awareness of preservation activities in the community by supporting the parent organization Historic Kansas City; while simultaneously offering a chance to meet new people, talk about the history of the built environment in Kansas City, network and enjoy social events.

The main activities of the YP organization are the following:

- Bar Series (Quarterly Educational history lesson of historic bar in KC)
- Party Planning (Help parent organization HKC with annual social event)
- YP chosen annual advocacy issue (Guidance from HKC)
- Outreach for expanding YP membership

The YP Board will meet every other month in 2019, each meeting will be about 2 hours in duration. There may also be some follow-up questions/discussions by email. The YP board will consist of approximately 6-8 people all under the age of 40 years old.

Historic Kansas City, as the parent organization, is looking to provide meaningful engagement and leadership skills to the Young Preservationist Board members. We hope you consider joining the arsenal of highly motivated volunteer talent that join young non-profit boards in Kansas City every day. Whether you're brand new to YP, or have been a member for a few years, we would like for you to consider applying for a board role in the Young Preservationist. See attached forms. Please feel free to reach out to us at HKCF@historickansascity.org if you have any additional questions. Also, check us out on our Facebook page at <https://www.facebook.com/HistoricKC/>

Warm regards,

Lisa Briscoe
